

A decorative arrangement of white, branch-like structures, possibly made of painted wood or plastic, set against a light, neutral background. Several small, warm-toned lights are strung through the branches, some of which are illuminated, creating a soft, glowing effect. The overall aesthetic is clean, modern, and festive.

*Wishing you
a Season of Wonder...*

...and the Wonder of Peace.

*In the spirit of giving, we have made a
donation in your honor to both
The Leukemia & Lymphoma Society
and American Cancer Society*

Best Wishes,
